

PTO General Meeting – December 2, 2013

4:00 pm - Library

1. Principal Steve Wera Update

- a. HUGE thank you to all who put on an amazing Auction/Wine Tasting. He didn't hear one bad remark. Everyone was so impressed and thought it was spectacular. Great to see many community members too. Many were awe struck at how great it was. Way to go PTO!
- b. Bradley emails will be sent in text and PDF format so more parents will read the information.
- c. Talked with 'Santa' about movie night. Need to find a better way to organize kids and families so there aren't huge lines. Maybe take kids by rows during movie or start Santa before the movies.

2. Wine Tasting/Silent Auction – Dawn Master and Janee Mauney (not present)

Mike spoke to the details: Netted approximately \$15,000. Haven't gotten wine totals yet so number will be larger. Way exceeded our goal of \$10,000 profit. We sold 206 tickets to the event. Teacher projects raised about \$4,500 which will go directly to teachers this week or next. If you haven't picked up your wine, do so as soon as you can. Also, if you haven't ordered wine or want to add, purchase more, let Mayfair Liquors know. You can still do it.
